CLASSIFIED SECTION (PINK PAGES)

A feature of Classified Advertising in the Telephone Directory is that prospective customers know exactly where to look for the names of firms and individuals supplying the commodity or service required.

Do you utilize this service to its fullest extent? If not, let us help you to do so.

Very little observation will convince you of the value of the Classified Section to YOU.

Every branch of your business should be listed under its proper classification so that it may be as easy for buyers to find you as it is for you to find the firm you want.

Recognized universally as the most reliable Buyer's Guide, the Classified Section is consulted by everybody.

The Telephone Directory, says the Literary Digest, "is the directory of the most alert among the alert."

If you want to secure Business by Telephone advertise in the Telephone Directory.

Successful business men whose announcements appear in the Classified Section realize that the Telephone Directory makes a direct appeal to the best buyers in the Community.

Everybody uses the Telephone Directory and no other book published is referred to so frequently.
