**Do Not Hang Up Your Receiver When Asked to Hold the Line**  
**SPEED**

**C - L - R SPELLS SPEED**

A technical term? Yes, but of first importance to the long distance user.

To the technician the letters mean "Combined-Line-Recording," to you they mean **SPEED** when it is most needed!

When the operator says "Please hold the line" when you place your call she means she can get your party at once. No unnecessary waits—**SPEED!**

You can co-operate by not hanging up your receiver when asked to hold the line. You will be surprised at the prompt response of your distant party.

It won't work on all calls—yet, but with perfected equipment and subscriber co-operation the field will widen.
