

How to use the : : Classified Section of the Directory : :

To make an efficient use of the Classified Section of the Directory, it must be known that it is a complete list of all business subscribers to the Alberta Government Telephones in the city of Calgary, arranged in alphabetical order under their respective business classifications.

If an accident or sudden illness demands the immediate services of a physician, turn to the heading of Physicians and Surgeons. By noting the street addresses of the doctors listed under this heading, you will be able to find one located nearby to whom you can telephone and save time that may be of vital importance to the sufferer.

If you require the immediate services of a plumber, carpenter or electrician, turn to the heading under which these trades are listed, and telephone to the nearest one in your vicinity.

No matter what service or commodity you are needing, you will find it properly classified in the Directory.

The members of every household and office staff should be familiar with the usage of the Classified Telephone Directory.
