Brings the Farm to Town

NOW that he can order it at once by Long Distance from his favorite dealer in village, town or city, nothing is too good for the farmer. "You advertised a special sale of phonographs in today's paper. Ship me one"—he telephones.

Within the same convenient radius of your store are scores of thrifty housewives who would be pleased to have a merchant solicit their trade by Long Distance. Even if a sale does not result, you have advertised your business in a very effective way. They will probably call when they come to town, or order from your advertising. It's human nature.

A tire dealer called up 29 strangers by Long Distance and sold tires to 8 of them. A follow-up letter or personal call later brought nearly all the others to his store.

Don't let your telephone idle. Long Distance can bring suburban prospects within sound of your voice. Turn it into a salesman, and keep it busy. Every other means of communication is a substitute for the voice—the voice is **YOU**.

Think of our Manager as the Manager of your Telephone Service.
