### --The Telephone Directory--

**T**HOUSANDS refer to this Directory daily. Of course your name can be found there, but will it catch the eye and give particulars of your special ability to serve?

Phone M6005

Advertising  
Rates and  
any further  
information  
required.

**M**AKE SURE that YOUR name *will* catch the eye of the seeker, by having a Displayed Advertisement in the Directory—however small, it will bring your name more prominently before the Public and give the additional information so often looked for in the Business Man's "Who's Who?"

**T**HE TRUTH of the well-known maxim, "It Pays to Advertise!" can be proved by advertising in the Telephone Directory.

# Ordered Action!

It is not the man who rushes around who does the work. The quiet direct action of completing the first thing first is what counts.

Quietly and efficiently the Long Distance Telephone will carry your message. There are no elaborate preparations, no straining. At one mile or a thousand your voice will carry as clearly as in conversation across your desk. Lift your receiver, give the operator your customer's number and she will do the rest.

A few minutes quiet conversation, the ordered action of efficient communication and your business is complete. The rates are low and the results excellent.
