

How to Use - -

the Classified Section of the Directory - -

To make an efficient use of the Classified Section of the Directory, it must be known that it is a complete list of all business subscribers to the Alberta Government Telephones in the city of Calgary, arranged in alphabetical order under their respective business classifications.

If an accident or sudden illness demands the immediate services of a physician, turn to the heading of Physicians and Surgeons. By noting the street addresses of the doctors listed under this heading, you will be able to find one located nearby to whom you can telephone and save time that may be of vital importance to the sufferer.

If you require the immediate services of a plumber, carpenter or electrician, turn to the heading under which these trades are listed, and telephone to the nearest one in your vicinity.

No matter what service or commodity you are needing, you will find it properly classified in the Directory.

The members of every household and office staff should be familiar with the usage of the Classified Telephone Directory.

THOUSANDS refer to this Directory daily. Of course your name can be found there, but will it catch the eye and give particulars of your special ability to serve?

MAKE SURE that YOUR name will catch the eye of the seeker, by having a Displayed Advertisement in the Directory—however small, it will bring your name more prominently before the Public and give the additional information so often looked for in the Business Man's "Who's Who?"

THE TRUTH of the well-known maxim, "It Pays to Advertise!" can be proved by advertising in the Telephone Directory.

CHIROPRACTIC

I WOULD LIKE TO MEET EVERY Man, Woman and Child, whose HEALTH IS BELOW NORMAL, and tell them of the wonderful results we secure in the restoration of health by Chiropractic Adjustments.

Our many years of successful practice in the City of Calgary, our splendidly equipped X-ray Laboratory where we X-ray Chiropractic cases only, and the mature judgment which is gained only by these years of experience is responsible for the seemingly miraculous results secured in the most difficult and hopeless cases.

We thoroughly analyze every case and tell you frankly whether or not Chiropractic should benefit you, give you an estimate of the probable length of time it should take, and the cost.

The charges for our services are surprisingly small.

CONSULTATION IS FREE.

THE AEROLELECTRIC
NO FUEL - NO ATTENTION

READ WHAT ONE USER SAYS REGARDING THE AEROLELECTRIC

Claresholm, Alta., June 29-27.

Electrical Engineers, Ltd.,
Calgary, Alta.

Dear Sirs:—

I have your letter inquiring re the satisfaction of the Aeroelectric Plant.

After using the plant for six months, and to say that it is giving satisfaction is hardly saying enough in favor of it.

When I purchased the plant, I was a little in doubt about the aeroplane propeller, and such a generator being able to keep my batteries fully charged at all times, for I have lights in my house, barn, garage, pump-house and blacksmith shop, and I used electricity for ironing, washing, and churning. During the shortest days last winter I always had all the electricity I wanted for light and power. It was certainly an agreeable surprise to find that I even had more than I needed.

Since installing the plant, I have been out no expense, except one pint of oil every three months, and the plant has required no attention other than oiling, which is more than can be said for a gas engine plant, because I have tried them and I know.

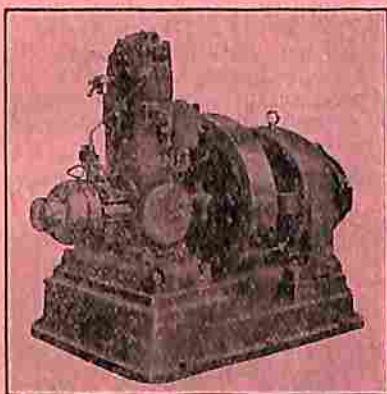

The AEROLELECTRIC comes as near giving me something for nothing as anything I ever had.

My plant positively would not be for sale at any price, if I could not get another one for immediate use.

Very truly yours,
(Sgd.) JOHN SMEDSTEAD.

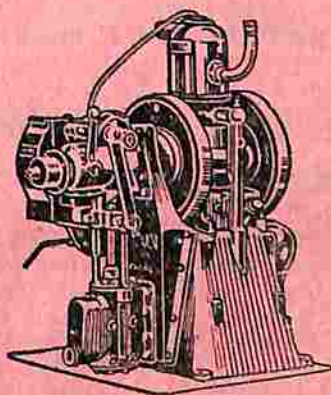

NOTE:—Mr. Smedstead had previously used an engine driven plant of well known make, so that his opinion is doubly valuable.
