0 Long Distance Operator
92 Information regarding Long Distance Rates, New Toll Offices etc

LONG DISTANCE CALLS ARE CLASSIFIED

STATION-TO-STATION CALLS *Where you will speak to anyone at the distant telephone.*

This type of call meets most needs and is at the lowest rate. It is the simple basic call, requiring only the connecting of two distant telephones.

PERSON-TO-PERSON CALLS *Where a particular person is desired.*

Entailing, as it does, more labor and longer use of lines, this type of call takes a higher rate. In the event of the call not being completed a small charge is made for reports furnished.

These Special Services Are Also Available

Appointment Calls . . . are made when a particular person is required at a specified time. The rate is slightly higher than person-to-person rate. The operator makes the appointment with the distant party.

Collect Calls Where called party is requested to pay for and accepts charges.

Messenger Calls . . . are made when the called party cannot be reached by telephone and a messenger is sent to bring the party to the telephone.

Appointment, Collect and Messenger Calls are on person-to-person basis, plus charges for extra service.

GIVE THE OPERATOR THE DISTANT NUMBER IF YOU CAN—IT SPEEDS UP THE SERVICE.
