

How to Use - -

the Classified Section of the Directory - -

To make an efficient use of the Classified Section of the Directory, it must be known that it is a complete list of all business subscribers to the Alberta Government Telephones in the city of Calgary, arranged in alphabetical order under their respective business classifications.

If an accident or sudden illness demands the immediate services of a physician, turn to the heading of Physicians and Surgeons. By noting the street addresses of the doctors listed under this heading, you will be able to find one located nearby to whom you can telephone and save time that may be of vital importance to the sufferer.

If you require the immediate services of a plumber, carpenter or electrician, turn to the heading under which these trades are listed, and telephone to the nearest one in your vicinity.

No matter what service or commodity you are needing, you will find it properly classified in the Directory.

The members of every household and office staff should be familiar with the usage of the Classified Telephone Directory.

Some People Hesitate to go to a Chiropractor for Fear of "Getting Hurt"

This fear of painful adjustments was propagated in the early days of Chiropractic by those who looked upon the chiropractic method of healing with disfavor. In later years the jocular expressions were often used such as "going to the Chiropractor to get my back broke, my neck twisted or my leg pulled," which is very amply illustrated by the accompanying cartoon.

This erroneous idea of fear has prevented many people from regaining perfect health because they were afraid Chiropractic adjustments were too severe for them.

Today modern Chiropractors use an improved and highly developed technique of adjusting which causes no pain or discomfort whatever in fully 95% of all cases and which can be safely used on the aged as well as the most delicate baby.

Headaches, Deafness, Eye Troubles, Head Noises, Loss of Memory, Speech or Appetite.
Nervousness, Catarrh, Neuralgia, Neuritis, Hay Fever, Sleeplessness, Epilepsy.
Bronchitis, Writers' Cramp, Wry Neck, Pains or Numbness in Hands Arms or Shoulders.
Heart Trouble, Pleurisy, Difficult Breathing, Asthma, Dizziness, After-effects of the 'Flu'.
Liver Troubles, Sick Headaches, Fevers, Vomiting, Grippe, Jaundice, Heartburn, Paralysis.
Stomach and Throat Troubles—various forms; Goitre, Hiccoughs, Tonsillitis, "Weak" Back.
Anaemia, Loss of Weight or Ambition, Intestinal Disorders, Back and Side Aches, Diabetes.
Rheumatism, Boils, Eczema, Abscesses, Dropsy, Eruptions, Kidney Trouble.
Appendicitis, Constipation, Rectal, Bladder Troubles, Frequent Urination, Hemorrhoids.
Sciatica, Diarrhoea, Peritonitis, Pain, Swelling or Numbness of Thighs, Legs or Feet.

CHIROPRACTIC OFFICES

We have a completely equipped X Ray Laboratory, where we take Chiropractic X Rays only.

This cartoon (original size 18x40) was presented to Dr. C. E. Messenger by Mr. Forrester in 1921 who at that time was cartoonist for the famous Bob Edwards Eye Opener. Mr. Forrester was almost blind and had his sight entirely restored by Chiropractic adjustments. This was one of his ways of expressing his gratitude to Dr. Messenger.

Conscientious Chiropractors will not accept your case unless it is strictly a chiropractic case. Chiropractors do not set broken bones, practice surgery, prescribe drugs or use electricity, but specialize only on the spine.

Consult a Chiropractor today. This consultation costs you nothing. Talk over your own particular ailment with him and let him tell you just what results he has secured in cases similar to yours and what you should expect in your own case.

DEPARTMENT FOR CHILDREN

Years of experience and study have proven that the technic we now use in this office is the most effective in the adjustment of the delicate spines and sensitive nervous system of children.

We have equipped ample space in our office exclusively for the proper adjustment and convenience of the little folks.

The charges for our services are surprisingly small.
