### FLEXLUME SIGN COMPANY LTD.

THE LARGEST SIGN COMPANY ON THIS CONTINENT

We can rent you a sign on a monthly basis for three or five years—but you would be paying a high monthly charge and at the end of five years you would not own the sign—We recommend your purchasing outright—We have proved by actual experience that the servicing charge on a good Neon sign is very low. Some signs which we installed over two years ago have not required one cent of expense in servicing. Our Neon Tubes are guaranteed.

The big business with which our Company has been favored is owing, not alone to the excellence of the workmanship and beauty of design, but also to the unique contract that we offer on a rental basis. We do sell signs outright, but on major installations, such as the Hudson's Bay Beacon, etc., the customer takes the rental contract rather than the outright sale. This is the reason for the predominance of our business.

A feature of Classified Advertising in the Telephone Directory is that prospective customers know exactly where to look for the names of firms and individuals supplying the commodity or service required.

Do you utilize this service to its fullest extent? If not, let us help you to do so.

Very little observation will convince you of the value of the Classified Section to YOU.

Every branch of your business should be listed under its proper classification so that it may be as easy for buyers to find you as it is for you to find the firm you want.

Recognized universally as the most reliable Buyer's Guide, the Classified Section is consulted by everybody.

The Telephone Directory, says the Literary Digest, "is the directory of the most alert among the alert."

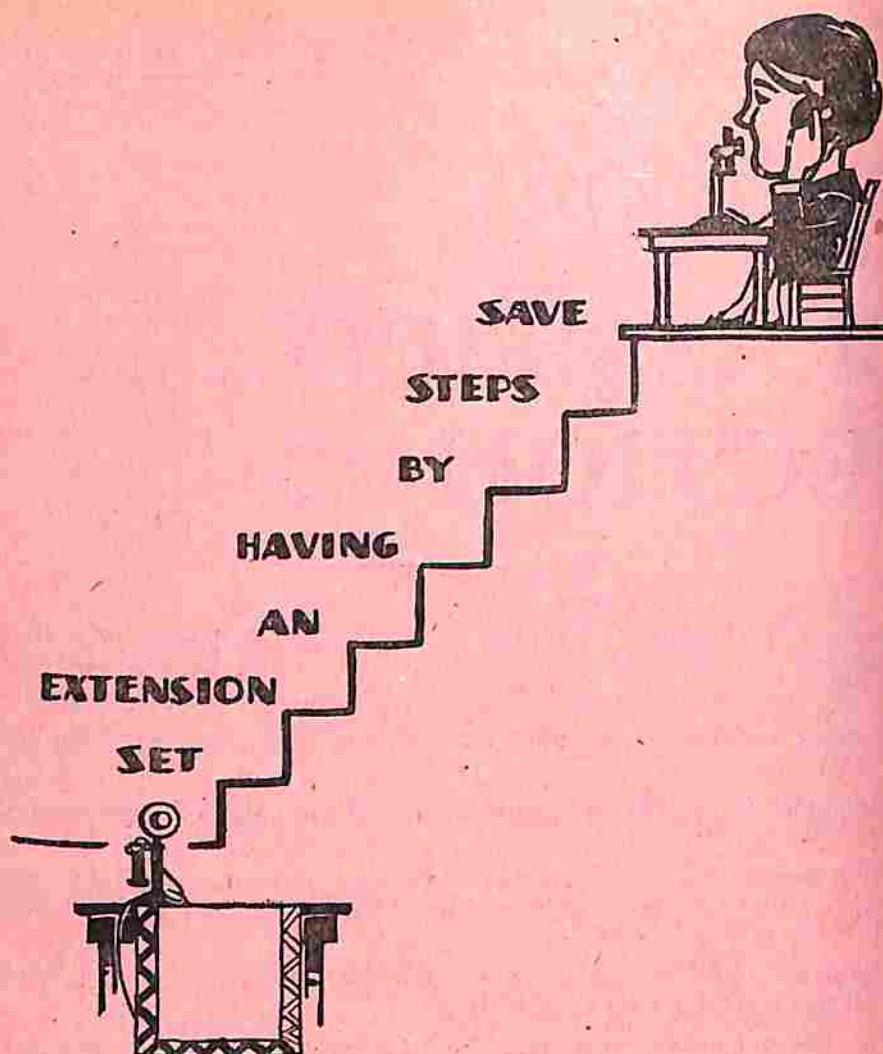

If you want to secure Business by Telephone advertise in the Telephone Directory.

Successful business men whose announcements appear in the Classified Section realize that the Telephone Directory makes a direct appeal to the best buyers in the Community.

Everybody uses the Telephone Directory and no other book published is referred to so frequently.

*"The Silent Partner"*

# Directory Advertising

EVERY Telephone in Alberta has a Directory by its side every day of the year.

\* \* \*

The Directory is used thousands of times daily.

\* \* \*

It is never thrown into the waste-paper basket until a new edition is issued. Probably no other publication can make a like claim to continuity of circulation.

\* \* \*

The Telephone Directory is used for innumerable purposes—general information, correct spelling of names, street addresses, buying and selling, etc.

\* \* \*

There are many ways in which the Directory may become of additional service to subscribers—extra listings may be arranged for, by which a subscriber to Exchange Business Service may have the names of any companies he represents or of any employee or agent, listed in the Directory, at a nominal charge, and a subscriber to Exchange Residence Service may have the name of a bona-fide member of his family listed in the Directory for one dollar per line per issue.

\* \* \*

The following Directories are issued by the Alberta Government Telephones:

Calgary and District.	Northern Division.
Lethbridge and District.	Medicine Hat and District.
	Peace River District.

\* \* \*

Our low rates and the ever-increasing circulation of the books render Telephone Directory Advertising the cheapest and most effective form of publicity you can buy.
