Any of Our Employees will attend to Your Order for Telephone Service

With a telephone in the home, you are in touch with the outside world. It is especially useful for ordering supplies, keeping in touch with friends and meeting emergencies.

An extension bell is desirable where the location of the telephone makes it difficult to hear the ringing, as in a noisy workshop, garage, etc.

A Private Branch Exchange permits the handling of all telephone traffic at a centralized location and provides intercommunication between these telephones.
