

"I want my telephone put back please"

HARDLY a day passes but that some person who gave up his telephone service in recent months orders it restored. In many cases people feel that it is false economy to be without a telephone . . . that the small cost of the service is repaid many times each month in convenience, in time and actually in money saved. Some miss the close and personal contact with friends that telephone service makes possible. Others mention the loss of many pleasant, impromptu social "get-togethers" when their friends are unable to reach them by telephone.

It is all true . . . what these customer friends of ours say. Telephone service costs so little and its value is so great that in most instances it really doesn't pay to try to do without it.

If *YOU* are missing your telephone . . . just get in touch with our business office. We'll send a man out with a telephone in a hurry.

ALBERTA GOVERNMENT TELEPHONES

CALGARY

CLASSIFIED TELEPHONE DIRECTORY

JULY - - 1934

“WHERE TO BUY IT”

How to Use—

the Classified Section of the Directory - -

To make an efficient use of the Classified Section of the Directory, it must be known that it is a complete list of all business subscribers to the Alberta Government Telephones in the city of Calgary, arranged in alphabetical order under their respective business classifications.

If an accident or sudden illness demands the immediate services of a physician, turn to the heading of Physicians and Surgeons. By noting the street addresses of the doctors listed under this heading, you will be able to find one located nearby to whom you can telephone and save time that may be of vital importance to the sufferer.

If you require the immediate services of a plumber, carpenter or electrician, turn to the heading under which these trades are listed, and telephone to the nearest one in your vicinity.

No matter what service or commodity you are needing, you will find it properly classified in the Directory.

The members of every household and office staff should be familiar with the usage of the Classified Telephone Directory.

C. E. MESSENGER,
Calgary.

DR. MESSENGER M2916 CHIROPRACTOR

I WOULD LIKE TO MEET EVERY Man, Woman and Child, whose HEALTH IS BELOW NORMAL, and tell them of the wonderful results we secure in the restoration of health by Chiropractic Adjustments.

Our many years of successful practice in the City of Calgary, our splendidly equipped X-ray Laboratory where we X-ray Chiropractic cases only, and the mature judgment which is gained only by these years of experience is responsible for the seemingly miraculous results secured in the most difficult and hopeless cases.

FREE CONSULTATION

MESSENGER'S SPINE INDEX TO HEALTH

- 1 Headaches, Deafness, Eye Troubles, Head Noises, Loss of Memory Speech or Appetite.
- 2 Nervousness, Catarrh, Neuralgia, Neuritis, Hay Fever, Sleeplessness, Epilepsy.
- 3 Bronchitis, Writers' Cramp, Wry Neck, Pains or Numbness in Hands, Arms or Shoulders.
- 4 Heart Trouble, Pleurisy, Difficult Breathing, Asthma, Dizziness, After-effects of the 'Flu.
- 5 Liver Troubles, Sick Headaches, Fevers, Vomiting, Grippe, Jaundice, Heartburn, Paralysis.
- 6 Stomach and Throat Troubles—various forms; Goitre, Hiccoughs, Tonsillitis, "Weak" Back.
- 7 Anaemia, Loss of Weight or Ambition, Intestinal Disorders, Back and Side Aches, Diabetes.
- 8 Rheumatism, Boils, Eczema, Abscesses, Dropsy, Eruptions, Kidney Trouble.
- 9 Appendicitis, Constipation, Rectal, Bladder Troubles, Frequent Urination, Hemorrhoids.
- 10 Sciatica, Diarrhoea, Peritonitis, Pain, Swelling or Numbness of Thighs, Legs or Feet.

Today modern Chiropractors use an improved and highly developed technique of adjusting which causes no pain or discomfort whatever in fully 95% of all cases and which can be safely used on the aged as well as the most delicate baby.

The conscientious Chiropractor makes a thorough examination of your entire spine including the sacro-iliac articulations (which in many cases cause rheumatism and sciatica). By so doing we are enabled not only to correct your most serious trouble, but at the same time allows us to straighten up all minor subluxations which might later develop into a major disease.

The Best Time to Call a Friend Out of Town

Evening is one of the best times to make an out of town call because between 7 P.M. and 12 midnight the rates for station to station or "Any-one" calls are reduced to approximately one-half of the day rates. After midnight until 4:30 A.M. the rates are still further reduced to approximately one-fourth the Day rates. These reductions are possible because after 7 o'clock in the evening there is a falling off in the number of calls at the end of the business day. These rates apply on calls by number only, and within the Provinces of Alberta and Saskatchewan.

THE OPERATOR WILL HELP YOU

The Darker the Hour The Lighter the Rate
