

HAVE TWO TELEPHONES!

'HELLO' HELEN: "No I didn't have to run downstairs to answer the phone, Jack had an extension set installed some time ago and you have no idea what a convenience it is. He was out of town last week and one night when I was alone I thought I heard a prowler in the house, I was mistaken, but what a comfort it was to know that I wasn't cut off from the telephone downstairs and could phone for assistance if needed".

“WHERE TO BUY IT”

How to Use—

the Classified Section of the Directory - -

To make an efficient use of the Classified Section of the Directory, it must be known that it is a complete list of all business subscribers to the Alberta Government Telephones in the city of Calgary, arranged in alphabetical order under their respective business classifications.

If an accident or sudden illness demands the immediate services of a physician, turn to the heading of Physicians and Surgeons. By noting the street addresses of the doctors listed under this heading, you will be able to find one located nearby to whom you can telephone and save time that may be of vital importance to the sufferer.

If you require the immediate services of a plumber, carpenter or electrician, turn to the heading under which these trades are listed, and telephone to the nearest one in your vicinity.

No matter what service or commodity you are needing, you will find it properly classified in the Directory.

The members of every household and office staff should be familiar with the usage of the Classified Telephone Directory.

FREE CONSULTATION

Progressive Scientific Chiropractic has made wonderful strides the past 20 years. The X-Ray—the Master of all Diagnostic Methods—has now become indispensable to all Chiropractors. Again science has given us an instrument for locating the most minute nerve interference along the spine. Many Chiropractors are now using this in their practice. New methods of adjusting the spine have been developed by leaders in our profession which has stepped up our efficiency and most of all the wide experience gained by all Chiropractors during their various years of practice has given them an almost super-human touch to locate the cause of disease in the body.

We Have Had 20 Years Successful Practice in the City of Calgary

MESSENGER'S SPINE INDEX TO HEALTH

The conscientious Chiropractor of today makes a thorough Chiropractic examination of every patient. By so doing, we endeavor to eliminate from our practice all cases which rightfully belong to the Physician or Surgeon. SERVICE—SPEED—SATISFACTION

He was writing a letter—an urgent message to a far-away business associate. If it would only reach him today, instead of a week from now!

Why not use the LONG DISTANCE TELEPHONE?

Good idea! He was speedily in touch with his party, and he delivered the message, with his own voice, in the space of a few minutes. No need to finish the letter!

The telephone had made the trip while the letter was getting ready!
