“WHERE TO BUY IT”

How to Use— **the Classified Section of the Directory - -**

To make an efficient use of the Classified Section of the Directory, it must be known that it is a complete list of all business subscribers to the Alberta Government Telephones in the city of Calgary, arranged in alphabetical order under their respective business classifications.

If an accident or sudden illness demands the immediate services of a physician, turn to the heading of Physicians and Surgeons. By noting the street addresses of the doctors listed under this heading, you will be able to find one located nearby to whom you can telephone and save time that may be of vital importance to the sufferer.

If you require the immediate services of a plumber, carpenter or electrician, turn to the heading under which these trades are listed, and telephone to the nearest one in your vicinity.

No matter what service or commodity you are needing, you will find it properly classified in the Directory.

The members of every household and office staff should be familiar with the usage of the Classified Telephone Directory.

FREE CONSULTATION

Progressive Scientific Chiropractic has made wonderful strides the past 20 years. The X-Ray—the Master of all Diagnostic Methods—has now become indispensable to all Chiropractors. Again science has given us an instrument for locating the most minute nerve interference along the spine. Many Chiropractors are now using this in their practice. New methods of adjusting the spine have been developed by leaders in our profession which has stepped up our efficiency and most of all the wide experience gained by all Chiropractors during their various years of practice has given them an almost super-human touch to locate the cause of disease in the body.

We Have Had 20 Years Successful Practice in the City of Calgary

The conscientious Chiropractor of today makes a thorough Chiropractic examination of every patient. By so doing, we endeavor to eliminate from our practice all cases which rightfully belong to the Physician or Surgeon. By this way, and this way only, can we justly take our place with the GREAT HEALING PROFESSIONS OF THE WORLD.

Department for Children

Years of experience and study have proven that the technique we now use in this office is the most effective in the adjustment of the delicate spines and sensitive nervous systems of children.

We have equipped ample space in our office exclusively for the proper adjustment and convenience of the little folks.

OUR POLICY

A thorough Chiropractic examination, a frank statement whether or not Chiropractic Adjustments should help you, and the cost.

Dr. von Pier System of Foot Rejuvenation

Investigation has shown us that mis-placed bones in the feet not only cause foot discomfort such as flat feet, broken arches, etc., but many times may cause other bodily ailments. Dr. Locke, the world's most famous foot adjuster, has proven this. Unfortunately, he does not teach his system of foot manipulation to others. However, we were very fortunate to have had PERSONAL instruction from Dr. Louis K. von Pier, former instructor in the Pacific Chiropractic College and who has been a close observer and student of Dr. Locke's work. Dr. von Pier has developed a method of foot adjusting which we believe to be identical to that used by Dr. Locke.

During the past year hundreds of people have received the most gratifying results from our Scientific Method of Foot Manipulation and Adjustment.
