ARE YOU ABREAST OF THE TIMES?

You probably wear the latest clothes, drive a late model automobile, and are up-to-the-minute in most respects.

But are you any different than past generations in regard to your health?

Be modern—keep your body strong physically and mentally with modern, effective, Chiropractic Health Service.

DOCTOR OF CHIROPRACTIC

Phone M4109

The SPINE is the HUMAN SWITCHBOARD controlling HEALTH and VIGOR

Spinal adjustments releases the POWER WITHIN. When the nerve, over which the "power within" sends its adaptative impulses to the cells is impinged by a subluxated vertebra, the "power within" cannot adapt the organism to the stress of environment and we become sick. To regain HEALTH it is necessary to turn on the power of adaptation—resistance.

To Turn on the power, the impingement must be removed from the nerve so it can function normally.

To remove the impingement the misaligned vertebra must be adjusted, and this adjustment of the spinal vertebra is the work of the chiropractor.
