GOING TO MOVE?

Don't forget the house you're
leaving behind.
Here are some helpful hints.

1. See that all utilities have been disconnected or
shut off (gas, electric, telephone, etc.)
2. Notify the milkman, paper boy or others who
have been delivering to you regularly.
3. Notify the Post Office of your change of address.
4. Notify your insurance companies and secure
records of transfer from school, church, bank, etc.
5. When you're in your new location have your change
of address noted on your driver's license and auto-
mobile registration certificate.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

- 1 You can talk over matters at once — promptness often prevents loss of a customer.
- 2 You can use tact in delicate situations.
- 3 You can build closer relations with customers.
- 4 And because men talk more freely than they write, you can frequently trace the real reason for the complaint — and prevent similar complaints in the future.
