**4 GOOD REASONS
FOR HANDLING COMPLAINTS
BY LONG DISTANCE**

- 1 You can talk over matters at once — promptness often prevents loss of a customer.
- 2 You can use tact in delicate situations.
- 3 You can build closer relations with customers.
- 4 And because men talk more freely than they write, you can frequently trace the real reason for the complaint — and prevent similar complaints in the future.

PLAN AHEAD FOR TELEPHONE CONVENIENCE

EVEN AS YOU PLAN your new home or building give a thought to telephone convenience with flexibility for future telephone needs.

CONDUIT AND OUTLETS for telephone wiring, built into the walls during construction, allow you to have your telephones placed where you want them with all wiring out of sight. Changes and additions for future telephone service needs can be made easily and quickly. For further information contact
