Two friendly telephone habits . . .
QUICK to answer when your tele-
 phone rings; **SLOW** to hang up
 when you call someone who does
 not immediately respond. When
 calling others, remember that the
 called person may be almost
 there . . . so wait a few seconds
 longer.

A HEAVY LOAD

Shoppers each year carry some 1,400 pounds of groceries home for each person in the family. The load, however, is about 100 pounds lighter than it was in the 1940's — partly because of increases in food processing, partly because of changes in consumer tastes.
