Two friendly telephone habits . . .  
**QUICK** to answer when your tele-  
 phone rings; **SLOW** to hang up  
 when you call someone who does  
 not immediately respond. When  
 calling others, remember that the  
 called person may be almost  
 there . . . so wait a few seconds  
 longer.

**A HEAVY LOAD**

Shoppers each year carry some 1,400 pounds of groceries home for each person in the family. The load, however, is about 100 pounds lighter than it was in the 1940's — partly because of increases in food processing, partly because of changes in consumer tastes.
