

DECEMBER, 1974

YELLOW PAGES

These Yellow Pages cover the Territory indicated in the Shaded Area

For rates and information concerning Yellow Pages Advertisements or Listings, contact the Alberta Government Telephones, Directory Department, 140 - 6th Avenue S.W., Calgary, Alberta, or Telephone (Collect) Calgary 261-5187

No Liability is Assumed By Alberta Government Telephones for errors or omissions occurring in the Classified Directory.

INFORMATION CONCERNING THE NEW POSTAL CODE SYSTEM

The Postal CODE is composed of both letters and numbers, in the form of ANA NAN, where "A" represents a letter of the alphabet, and "N" a number.

There is a space separating the first three characters, called Area Designator, from the last three, the Local Designator.

Once you have been given your Postal CODE, it is a permanent part of your address. Your Postal CODE will change only if you move.

ADDRESS CORRECTLY

Return address ensures
prompt return in case of
non-delivery.

Proper prepayment
prevents delay
in delivery.

<p>Mr. L. W. Jones Suite 530 147 Laurier Ave. W. Ottawa, Ontario K1P 5J2</p>	
<p>Mr. W. M. Smith Apartment 5 150 Nepean St. OTTAWA, Ontario K2P 0B6</p>	

Always give full details of street address, apartment number and name of Post Office. Also include the postal code where applicable.

POSTAL POINTERS

- 1) Address your mail fully, clearly and without misleading abbreviations.
- 2) Be sure to include apartment or suite number in address.
- 3) Place your return address in the upper left corner.
- 4) Give your correspondents your correct postal address including your postal CODE.
- 5) Never enclose coins or other hard objects in letters.
- 6) Send remittances by Post Office Money Order.
- 7) Properly pack parcels.
- 8) Place postage stamps in upper right corner. Prepay postage fully.
- 9) Insure your parcels and register letters of value.
- 10) Mail early and often. Mail deferred until the last moment may miss early despatches.

EASE YOUR EYES

Seamstresses should take a few minutes off each half hour for the sake of their eyes. Close work over a long period of time can put strain on eyes and one way to lessen the fatigue is to glance off into the distance for a moment every now and then.
