**A HEAVY LOAD**

Shoppers each year carry some 1,400 pounds of groceries home for each person in the family. The load, however, is about 100 pounds lighter than it was in the 1940's — partly because of increases in food processing, partly because of changes in consumer tastes.

**SUN BATHING TIPS**

- Initial exposure to the sun should be 30 minutes at the most.
- Never rely on tanning lotions for complete protection.
- White reflects light to a greater degree than colors.
- When using a beach umbrella, place it over a dark towel to prevent reflection.
