EASE YOUR EYES

Seamstresses should take a few minutes off each half hour for the sake of their eyes. Close work over a long period of time can put strain on eyes and one way to lessen the fatigue is to glance off into the distance for a moment every now and then.

A HEAVY LOAD

Shoppers each year carry some 1,400 pounds of groceries home for each person in the family. The load, however, is about 100 pounds lighter than it was in the 1940's — partly because of increases in food processing, partly because of changes in consumer tastes.
