Use Easter Seals

A HEAVY LOAD

Shoppers each year carry some
1,400 pounds of groceries home for
each person in the family. The
load, however, is about 100
pounds lighter than it was in the
1940's — partly because of in-
creases in food processing, partly
because of changes in consumer
tastes.

DISH DIVIDER

Use aluminum foil to divide an oblong
baking dish. Place small amounts of
leftovers in each section to warm. Not
only does it have everything warm at
one time, but it saves washing many
pots and pans.
