Answer promptly, speak clearly,
 hang up gently—three friendly
 telephone habits.

GOING TO MOVE?

Don't forget the house you're
 leaving behind.

Here are some helpful hints.

1. See that all utilities have been disconnected or shut off (gas, electric, telephone, etc.)
2. Notify the milkman, paper boy or others who have been delivering to you regularly.
3. Notify the Post Office of your change of address.
4. Notify your insurance companies and secure records of transfer from school, church, bank, etc.
5. When you're in your new location have your change of address noted on your driver's license and automobile registration certificate.
