Get the Yellow Pages Habit

A HEAVY LOAD

Shoppers each year carry some 1,400 pounds of groceries home for each person in the family. The load, however, is about 100 pounds lighter than it was in the 1940's — partly because of increases in food processing, partly because of changes in consumer tastes.

HEAT KNIFE

Before beginning to cut raisins for baking, dip the kitchen scissors in hot water. This makes cutting much faster.
