**4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE**

You can talk over matters at once. Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

PUBLIC TELEPHONE SERVICES

Have you tried the handiest  
shopping centre in town?  
It's right at your fingertips  
— the Yellow Pages of  
your telephone book.  
Quick "Yellow Pages"  
have solved many a  
buyer's problems. Let  
them help you get in touch  
with almost everyone you  
need who sells things, does  
things, fixes things.

Don't forget to plan for  
concealed telephone conduit  
and convenient locations  
for telephone outlets  
when you build your new  
home. These built-in tele-  
phone facilities add real  
value to a home yet their  
cost is very small if they  
are installed during  
construction.
