**PUBLIC TELEPHONE SERVICES**

Have you tried the handiest  
 shopping centre in town?  
 It's right at your fingertips  
 — the Yellow Pages of  
 your telephone book.  
 Quick "Yellow Pages"  
 have solved many a  
 buyer's problems. Let  
 them help you get in touch  
 with almost everyone you  
 need who sells things, does  
 things, fixes things.

Don't forget to plan for  
 concealed telephone conduit  
 and convenient locations  
 for telephone outlets  
 when you build your new  
 home. These built-in tele-  
 phone facilities add real  
 value to a home yet their  
 cost is very small if they  
 are installed during  
 construction.

**4 GOOD REASONS FOR  
HANDLING COMPLAINTS  
BY LONG DISTANCE**

You can talk over matters at once. Promptness often prevents loss of a customer.  
You can build closer relations with customers.  
You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

**Communications Solutions for Alberta Business from AGT.**

Call on AGT for solutions to your business communications needs!

Our communications specialists will work with you to design a solution that calls on the most advanced telecommunications in the world. Solutions that provide the added value of AGT's worldwide network and a range of equipment, service and maintenance packages to address your unique business requirements.

AGT's range of service packages and predictable, clearly explained charges take the "surprise" out of emergency repairs or regular maintenance. And you'll receive the same concerned attention whether your voice and data equipment came from AGT or not.

Call on AGT. We have the communication solutions for Alberta businesses.
