People who are ready to buy turn first to the Yellow Pages. If you have something to sell or a service to offer, here's the place to tell about it. The "Yellow Pages" places your name, address and telephone number before the buyer at the very moment he wants your product or service. Call the business office for information.

Think it over,  
the decision  
becomes clear...

4 GOOD REASONS FOR  
HANDLING COMPLAINTS  
BY LONG DISTANCE

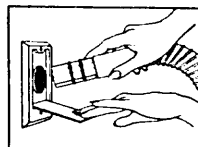

You can talk over matters at once.  
Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

# *Dial before you dig*

Telephone lines. They're essential to a community. Make sure you don't cut them off. Always phone for their location before operating excavation equipment...or even digging in your back yard. That way you'll avoid the dangers and disruptions that could cost more than money.

**2 working days notice required.** Call two working days in advance of any excavation to have the underground location of telephone service on your proposed site marked.

**(No Toll Charge)**

**1-800-242-3447**

**Buried Cable  
Location Service**

Nationwide Communications  
through Telecom Canada

Have you contacted the  
other underground services?
