SURVIVAL IN A NUCLEAR WAR

THOUSANDS OF LIVES CAN BE SAVED IF THE PEOPLE OF ALBERTA KNOW THE CORRECT ACTION TO TAKE SHOULD A NUCLEAR WAR OCCUR. IT IS IMPERATIVE THAT THE FOLLOWING IMPORTANT FACTS ARE LEARNED AND REMEMBERED.

MEANING OF THE WARNINGS

ALERT WARNING

Steady blast for three minutes on sirens, horns, whistles, etc.

Action to Take

Prepare to carry out your survival plan. Listen to your radio, all stations will switch to a provincial network and will issue the same instructions. Members of the Civil Defence Corps and other people with emergency duties, will report for service in accordance with previous instructions.

TAKE COVER WARNING

Rising and falling note for three minutes on sirens and/or short blasts on horns, whistles, etc., for three minutes.

Action to Take

IN A BUILDING

If there is no prepared shelter, go into the basement or into an interior room on the ground floor, keep away from windows. Remain there until told that you may leave.

OUTDOORS

Go to the nearest shelter or building and follow the above instructions. If you cannot reach shelter, lie flat on the ground, face down and cover the exposed parts of the body.

IN A CAR

If you are leaving a target area, do not stop. Open car windows and have passengers crouch on the floor. If you are not leaving the target area, drive off main traffic routes and then go to nearest shelter and follow instructions for people in buildings.

EMERGENCY ARRANGEMENTS

ADVANCE PLANNING

If war comes there will be no time to make plans. Families should plan ahead to provide fallout protection and emergency supplies for themselves. Booklets offering advice on planning are available free of charge from your local Civil Defence Organization, or by writing to Alberta Emergency Measures, Box 10,000, Edmonton.

PUBLICATIONS

Everyone should read the following booklets prepared by the federal government:

11 STEPS TO SURVIVAL
YOUR BASEMENT FALLOUT SHELTER
SIMPLER SHELTERS
YOUR EMERGENCY PACK

People living in Calgary or Edmonton should also read
SURVIVAL IN LIKELY TARGET AREAS, and
BLAST SHELTERS

People living in rural communities should also read
FALLOUT ON THE FARM

EMERGENCY SUPPLIES

Your family should be equipped with a two week supply of food and water in covered containers, clothing and blankets, emergency lighting, heating and sanitation equipment, a first aid kit, and most important of all, A BATTERY OPERATED RADIO AND SPARE BATTERIES.

DISPERSAL

If you live in a target area and plan to leave in case a warning is sounded, learn your dispersal route and have the emergency supplies listed above ready for immediate use. Radio broadcasts will inform you on the advisability of dispersal immediately following the alert warning. If you live outside the target area, you should remain in your home.

DON'T USE YOUR PHONE. Jammed switchboards could delay lifesaving messages.

DON'T PANIC. Warnings do not necessarily mean your area will be attacked.

DON'T GO OUTSIDE. Missing members of your family are probably sheltered elsewhere.

DO LEARN ABOUT YOUR COMMUNITY SURVIVAL PLAN. Contact your local Civil Defence Director.

DO ENROLL IN CIVIL DEFENCE COURSES. Fire Fighting, Rescue, First Aid, Home Nursing, Etc.

DO PROVIDE YOUR FAMILY WITH BLAST OR FALLOUT PROTECTION — DO IT NOW.

For further information contact your local Director of Civil Defence or write
