# general information

## YOUR BUSINESS OFFICE REPRESENTATIVE

Your account is handled by a representative at the Business Office who will help you in any service requirement. She will arrange for new or additional telephone service, a move or disconnection of service, listings in the directory, and advertising. She will also answer questions about your bill or payments, and will furnish information on other telephone matters. For Business Office Dial "0" (Zero) and ask for Business Office (No Toll Charge).

## THE "BEEP" TONE

If you hear a short beep tone about every 15 seconds it indicates that the person with whom you are talking is recording your conversation by means of an electrical recording machine connected to the line. The "beep" signal is produced automatically by a device which connects the recorder to the telephone line and is provided by the Telephone Company for your protection.

If you do not want a record made of what you are saying, ask the person with whom you are talking to disconnect his recording machine. When he disconnects his recorder, the signal is no longer heard.

Use of a recorder without this signal is not permitted.

If a residence telephone is used for business purposes, Alberta Government Telephones shall charge therefor the business rate.

The customer may use the telephone set and connecting lines where Alberta Government Telephones has placed them but nowhere else, and he shall not remove or alter them.

The customer shall be liable to Alberta Government Telephones for charges for all calls originating at his telephone regardless of who may originate such calls, and for all calls received at his telephone, the charges for which are accepted by any person receiving such calls, regardless of who may accept such charges. Alberta Government Telephones may if it so elects collect all or any part of such charges from the person placing the call or who may otherwise be responsible for the charges incurred.

The customer agrees to compensate Alberta Government Telephones on demand for any damage, loss or destruction of Alberta Government Telephones instruments and accessories while such instruments and accessories are in or upon the premises of the customer.

#### 2. TELEPHONE NUMBERS

The customer shall have no right, ownership, or interest in the telephone facilities and number assigned to him, or any right to continuance of service through any particular office, and the telephone number or central office designation, or both, of the customer may be changed upon reasonable notice to the customer when necessary.

#### 3. PAYMENT OF CHARGES

All charges for installations, moves and monthly rentals shall be paid in advance. Such payments shall entitle the customer to service with all customers connected to the same exchange. Regular toll rates shall be charged for all service to locations outside such exchange.

An excess mileage charge may be added if a customer is outside of the exchange base rate area.

#### 4. VACATION ALLOWANCES

Should a customer wish to have his service temporarily disconnected, he may do so on advance application. An allowance of one-half of the rental per month will be made for a vacation period of not less than one month and not more than twelve months. Directory contents are copyrighted and must not be reproduced without permission.

#### 9. SERVICE AND EQUIPMENT

If Alberta Government Telephones does not have the equipment necessary to furnish the service requested, the receipt of an application for service and of an advance payment shall not bind Alberta Government Telephones to furnish such service, and if the service is not furnished all money paid therefore by the applicant shall be refunded by Alberta Government Telephones.

The agents and employees of Alberta Government Telephones shall have the right, at any reasonable hour to enter the premises on which telephone service is furnished or equipment is installed, for the purpose of installing, inspecting, repairing or removing its equipment and wiring and collecting receipts from public and semi-public telephones.

#### 10. USE OF SERVICE

Such action by Alberta Government Telephones shall not affect the customer's liability for the payment of all amounts owing by him to Alberta Government Telephones.

#### 12. LIMITATION OF ALBERTA GOVERNMENT TELEPHONES LIABILITY

Alberta Government Telephones shall not be liable for any defacement or damage to the customer's premises resulting from Alberta Government Telephone's equipment and wiring on such premises or from the installation, maintenance or removal thereof, except that Alberta Government Telephones shall make good any damage caused by its negligence.
