SURVIVAL IN A NUCLEAR WAR

THOUSANDS OF LIVES CAN BE SAVED IF THE PEOPLE OF ALBERTA KNOW THE CORRECT ACTION TO TAKE SHOULD A NUCLEAR WAR OCCUR. IT IS IMPERATIVE THAT THE FOLLOWING IMPORTANT FACTS ARE LEARNED AND REMEMBERED.

Emergency Warnings

ALERT WARNING

The "Alert" is a steady blast for three minutes on sirens, horns or whistles.

If you hear any of these sounds, listen to your radio.

If the "Alert" is real, all radio and TV stations will switch to a Regional network and will all issue the same instructions simultaneously.

Civil Defence workers and other people with emergency duties will report for service in accordance with previous instructions.

TAKE COVER WARNING

The "Take Cover" is a rising and falling note on sirens or short blasts on horns or whistles, lasting for three minutes.

IN A BUILDING, if there is no prepared shelter, go to the basement or into an interior room on the ground floor. Keep away from windows, listen to your radio and remain where you are until told that you may leave.

OUTDOORS, go to the nearest shelter or building and follow the above instructions. If you see a flash of light before reaching cover fall flat on the ground, face down, and cover the exposed parts of your body.

IN A CAR, if you are leaving a target area, do not stop. Open car windows and instruct passengers to crouch on the floor.

If you are not leaving a target area, drive off main traffic routes, park your car and go to the nearest shelter or follow instructions for people in buildings.

Emergency Arrangements

ADVANCE PLANNING

A future war will be different from previous ones. There will be no time to make plans.

Families should plan ahead to provide themselves with fallout protection and emergency supplies.

A selection of booklets explaining the dangers of nuclear war, and outlining protective measures which should be undertaken in advance, is available free of charge from your local Civil Defence Organization, or by writing to Alberta Emergency Measures, Box 10,000, Edmonton.

EMERGENCY SUPPLIES

Your Family should be equipped with a two week supply of food and water in covered containers, clothing and blankets, emergency lighting, heating and sanitation equipment, a first aid kit, including special medicines required by members of the family, and, **MOST IMPORTANT OF ALL, A BATTERY OPERATED RADIO AND SPARE BATTERIES.**

DISPERSAL

If you live in the Edmonton or Calgary Target Areas and plan to evacuate if a warning is sounded, learn your dispersal route and have the emergency supplies listed above, ready for immediate use.

Radio broadcasts will inform you on the advisability of dispersal immediately following the alert warning.

If you live outside the target areas, you should remain in your home, pending broadcast instructions.

DON'T USE YOUR PHONE. Jammed switchboards could delay lifesaving messages.

DON'T PANIC. Warnings do not necessarily mean your area will be attacked.

DON'T GO OUTSIDE. Missing members of your family are probably sheltered elsewhere.

DO LEARN ABOUT YOUR COMMUNITY SURVIVAL PLAN. Contact your local Civil Defence Co-ordinator.

DO VOLUNTEER. Offer your services to your local Civil Defence organization.

DO PROVIDE YOUR FAMILY WITH FALLOUT PROTECTION — DO IT NOW.

For further information contact your local Co-ordinator of Civil Defence or write

THE YELLOW PAGES EXPLAINED

The headings in these Yellow Pages are arranged alphabetically. Business and professional people are listed under the heading which best describes their line of business: Services they perform, or the Products they sell.

Many professions and businesses can be known by more than one finding or descriptive word, e.g., **Hairdressers—Ladies'** and **Beauty Parlors**. In these cases, one of the words (or terms) is used as a classified heading under which businesses are listed, and the other is used as a cross reference heading to direct users to the proper finding word, for example:

Hairdressers—Ladies'

See Beauty Parlors

There are also heading classifications, which, though closely related, are not identical in meaning, and are indexed separately, e.g., **Lumber—Retail** and **Lumber—Wholesale**.

All listings and information space which appear in columns under headings are arranged in alphabetical order. Products and Services carrying identifying brand names, many with an emblem or insignia, are arranged in alphabetical order by the brand name at the specific product or service heading. Display advertising is compiled in relation to the service or product heading.
