EXPLOSION IN OVEN?

If you burn the inside of the oven with an exploded potato or something, soak a cloth in ammonia and let it stay on the burned places an hour or so, after which you can scrape the spots clean without harming the enamel.

Speaking of girls...

You'll find none more competent, more friendly, more dependable than the girls behind your telephone. They're proud of the important part they play... and we're proud of them, because "The Voice with a Smile" is everywhere the symbol of good telephone service.

TELEPHONE PLANNING FOR FUTURE NEEDS

Assistance is available in planning telephone needs for new or remodelled homes or office buildings. Arrangements can be made to have the builders provide for present and anticipated future telephone requirements, so that wiring can be concealed without marking walls or woodwork. For information call . . .

NEWSPAPER FIREWOOD

To make a small grate or stove fire, or to kindle a big one, use old newspapers which have been rolled up tightly, soaked overnight in water, squeezed out and allowed to dry for several days. The tighter they are squeezed, the better firewood they make.
