Want your advertising to get action?

Here's how:

Make sure the people who see your ad are looking to buy what you're selling and your ad will probably get action. And that's exactly why Yellow Pages advertising brings results!

People who read the Yellow Pages — Action-People — are ready to buy. Want proof? A recent national study found that 93 out of every 100 references to the Yellow Pages were followed up with some kind of action . . . a visit, a call or a letter.

Want that kind of action? Advertise in the Yellow Pages. It pays.

HOW TO USE THE

YELLOW PAGES

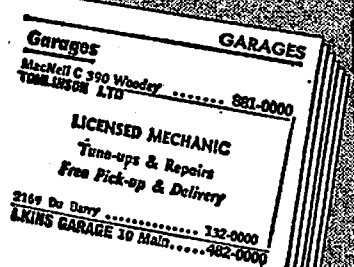

FOR YOUR CONVENIENCE a complete list of all business and professional telephone subscribers, throughout the community, appear in alphabetical order under the classification appropriate to their business, or the article or service they sell. The classifications, too, are in alphabetical order. You can quickly and easily find the Business, Service or Product you need.

WHEN YOU WANT TO BUY SOMETHING . . . OR GO SOMEWHERE

Suppose you are looking for a restaurant — just do this:

First find "RESTAURANTS" on the "R" pages. Then pick out the one whose message appeals to you most, or specializes in the kind of food you want, or whose location is convenient to you. Use the Yellow Pages in exactly the same way, whether you want a **MOVER, CARPET & RUG CLEANER, PLUMBING CONTRACTOR** or any one of hundreds of other products or services.

WHEN YOU HAVE FORGOTTEN A BUSINESS FIRM'S NAME BUT REMEMBER THE ADDRESS . . .

You may forget a business establishment's name but remember its location.

For example — you want a garage located on Dabarry Street.

Simply turn to the "GARAGES" classification.

Here you will find all the garages, and then all you have to do is look for the address which you know.

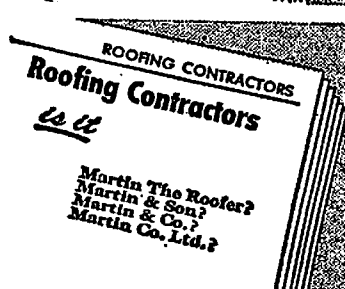

WHEN YOU WANT TO FIND A TRADE NAME PRODUCT OR SERVICE . . .

Suppose you want a dealer for a nationally known product. For example, let us assume you were looking for "Ful-Tone" Paint:

First turn to "PAINT" on the "P" pages.

Then select your dealer from the list of "Ful-Tone" dealers. It is just as easy as using a dictionary.

EVEN WHEN YOU KNOW THE NAME . . .

The Yellow Pages will frequently help you.

Suppose you want to telephone Martin, the roofer. All the roofers are listed in the Yellow Pages at the classification of "ROOFING CONTRACTORS" on the "R" pages, and it is easier to find your Martin among the few listed under "ROOFING CONTRACTORS" than in the long list of Martins in the White Pages.

**USE THE CLASSIFIED,
 IT'S AS EASY AS ABC**

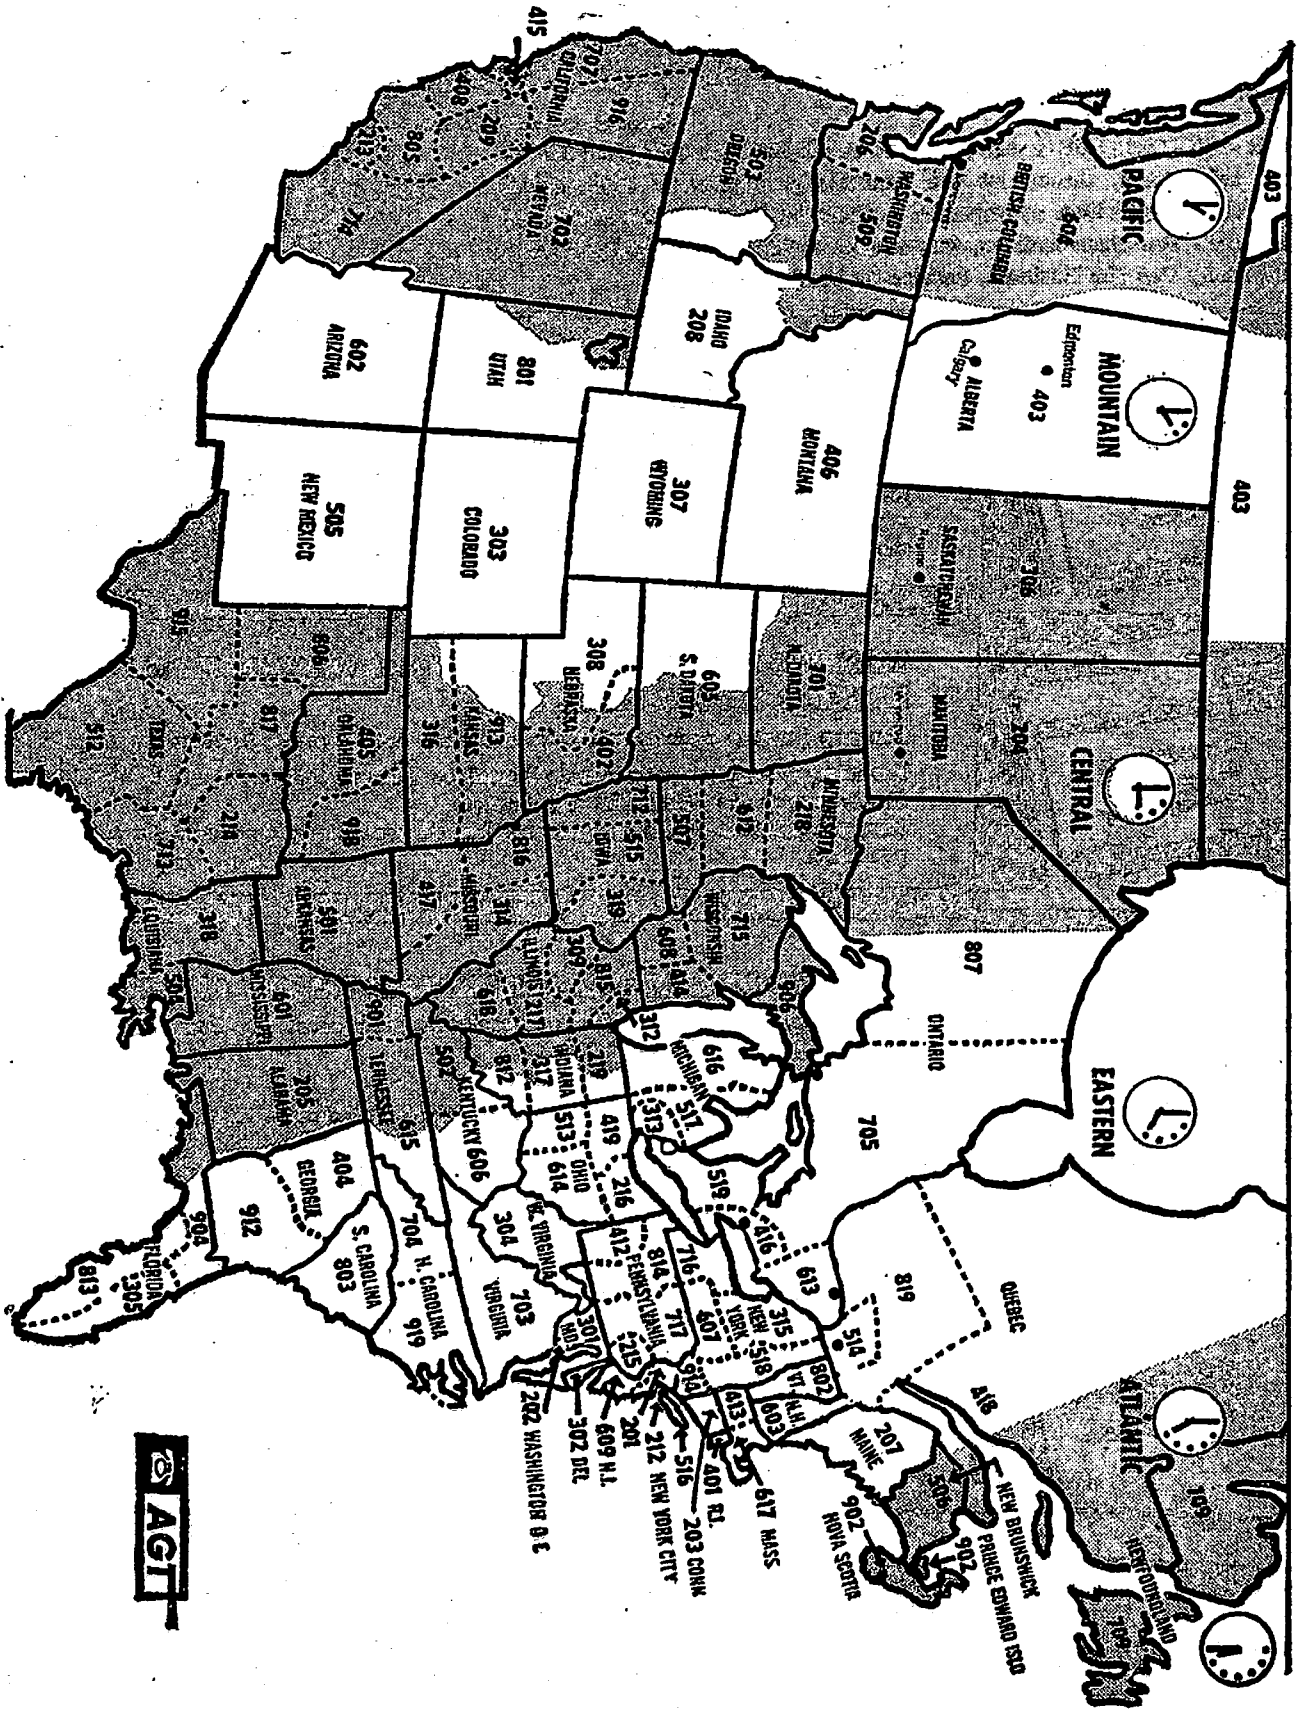

**IF YOU HAVE DIFFICULTY IN FINDING WHAT
 YOU ARE SEEKING IN THE YELLOW PAGES**

**Call Long Distance at no charge

1 degree Centigrade (1° C.)—1/100 (centum — a hundred) of the difference between the boiling and freezing points of pure water as above. To convert to Fahrenheit, multiply the C. reading by 9/5 and add 32.
