CARPET HINT

Grease and soot stains on a carpet may be removed by sprinkling with salt and rubbing vigorously. Several applications may be necessary. Old stains may be lightened considerably by rubbing with a salt and water paste. To restore freshness, wipe with a cloth or sponge which has been dipped in a strong salt solution and wrung out to remove excess moisture.

Speaking of girls...

You'll find none more com-
petent, more friendly, more
dependable than the girls
behind your telephone. They're
proud of the important part
they play . . . and we're proud
of them, because "The Voice
with a Smile" is everywhere
the symbol of good telephone
service.

If china and earthenware become stained or discoloured, use salt moistened with water to rub them clean. Stained vases and bottles respond to a cleansing solution of salt and vinegar. Let stand for a few hours, shake vigorously and rinse with clean water.
