

## INFORMATION CONCERNING THE NEW POSTAL CODE SYSTEM

The Postal CODE is composed of both letters and numbers, in the form of ANA NAN, where "A" represents a letter of the alphabet, and "N" a number.

There is a space separating the first three characters, called Area Designator, from the last three, the Local Designator.

Once you have been given your Postal CODE, it is a permanent part of your address. Your Postal CODE will change only if you move.

## ADDRESS CORRECTLY

Return address ensures  
prompt return in case of  
non-delivery.

Proper prepayment  
prevents delay  
in delivery.

Mr. L. W. Jones  
Suite 530  
147 Laurier Ave. W.  
Ottawa, Ontario  
K1P 5J2

Mr. W. M. Smith  
Apartment 5  
150 Nepean St.  
OTTAWA, Ontario  
K2P 0B6

Always give full details of street address, apartment number and name of Post Office. Also include the postal code where applicable.

## POSTAL POINTERS

- 1) Address your mail fully, clearly and without misleading abbreviations.
- 2) Be sure to include apartment or suite number in address.
- 3) Place your return address in the upper left corner.
- 4) Give your correspondents your correct postal address including your postal CODE.
- 5) Never enclose coins or other hard objects in letters.
- 6) Send remittances by Post Office Money Order.
- 7) Properly pack parcels.
- 8) Place postage stamps in upper right corner. Prepay postage fully.
- 9) Insure your parcels and register letters of value.
- 10) Mail early and often. Mail deferred until the last moment may miss early despatches.

### CORNBREAD TIP

To keep cornbread from sticking to the baking pan, melt shortening in the pan and spread over bottom and sides of the pan. Set pan in refrigerator to firm up again. Pour cornbread to bake. The cornbread when baked can be removed easily and will not stick to the pan.

**MORE INSTANT COFFEE USED**  
Canadians are drinking less coffee, or at least using fewer beans, than in the late 1940's. Part of the drop is due to introduction of instant coffee during the 1950's. Instant products now make up nearly one-fifth of total coffee consumption.

**FURNITURE STAIN REMOVER**  
If you have a piece of heat-stained  
furniture, apply a thin paste of salt  
and salad oil. Let stand for an  
hour, then remove. Unless the stain  
has really penetrated the grain of  
the wood, it will respond to this  
treatment.

**4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE**

- 1 You can talk over matters at once — promptness often prevents loss of a customer.
- 2 You can use fact in delicate situations.
- 3 You can build closer relations with customers.
- 4 And because men talk more freely than they write, you can frequently trace the real reason for the complaint — and prevent similar complaints in the future.
