PREVENT COLORING

Potatoes turn green when they are exposed to too much light during storage, says a publication of the Alberta Potato Commission. It advises that potatoes should be stored in a dark, cool place.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

- 1 You can talk over matters at once — promptness often prevents loss of a customer.
- 2 You can use tact in delicate situations.
- 3 You can build closer relations with customers.
- 4 And because men talk more freely than they write, you can frequently trace the real reason for the complaint — and prevent similar complaints in the future.
