Betsy Palmer
says:

**I trust the cleaning of my
cherished French heirloom
carpeting only to Duraclean®**

"I turned my home over to the Duraclean craftsmen and am now surrounded by a sweet freshness everywhere. The furniture and rugs have never looked brighter or more true of color."

Betsy Palmer, Television, stage and screen star, knows that the Duraclean absorbent foam takes the soil OUT... doesn't simply wash it deeper as do it yourself and other methods do. That's why Duraclean is recommended by so many carpet and furniture manufacturers.

Fabrics, when Duracleaned stay clean longer. They require fewer cleanings and last longer. That saves you money. Call your Duraclean craftsman.

Editorial pages in House Beautiful, Parents' Magazine, House & Garden, McCall's commend Duraclean.

DANGER!

Charcoal fires produce carbon monoxide. In case of rain while doing outdoor cooking, do not drag the charcoal cooker inside a closed garage or porch. The biggest enemy of carbon monoxide is fresh air.
