Behind on orders? Let the handy Yellow Pages introduce the suppliers you need. It's fast, it's convenient. Wise buyers say there's nothing like the Yellow Pages of your telephone book for getting in touch with almost everyone around who sells things, fixes things, does things. Try them once . . . you'll use them often.

FURNITURE STAIN REMOVER
If you have a piece of heat-stained
furniture, apply a thin paste of salt
and salad oil. Let stand for an
hour, then remove. Unless the stain
has really penetrated the grain of
the wood, it will respond to this
treatment.
