LONG DISTANCE CAN
IMPROVE YOUR COLLECTIONS
AT LOW COST

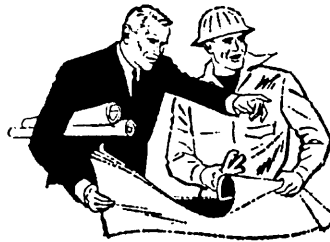

You talk with the person
in authority.

You can handle situations
too delicate to handle
in writing.

You get the real reasons
for non-payment.

You can settle complaints ...
make adjustments.

LONG DISTANCE PAYS

IT'S IN YOUR
BEST INTEREST
TO CHECK FIRST

If you plan to build or have
to excavate, you can avoid
accidental damage to cables by
checking first.

Before digging starts, Dial "0"
Zero & ask for Zenith 07128
(No Toll Charge)

For your own protection and
your neighbours', it pays to
make sure you are on "safe
ground." A severed cable may
put hundreds of telephones out
of service.
