4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

- 1 You can talk over matters at once — promptness often prevents loss of a customer.
- 2 You can build closer relations with customers.
- 3 You can use tact in delicate situations.
- 4 And because men talk more freely than they write, you can frequently trace the real reason for the complaint — and prevent similar complaints in the future.

Betsy Palmer
says:

**I trust the cleaning of my
cherished French heirloom
carpeting only to Duraclean**

I turned my home over to the Duraclean craftsmen and am now surrounded by a sweet freshness everywhere. The furniture and rugs have never looked brighter or more true of color.

Betsy Palmer, Television, stage and screen star, knows that the Duraclean absorbent foam takes the soil OUT... doesn't simply wash it deeper as do it yourself and other methods do. That's why Duraclean is recommended by so many carpet and furniture manufacturers.

Fabrics, when Duracleaned stay clean longer. They require fewer cleanings and last longer. That saves you money. Call your Duraclean craftsman.

MORE INSTANT COFFEE USED
Canadians are drinking less coffee, or at least using fewer beans, than in the late 1940's. Part of the drop is due to introduction of instant coffee during the 1950's. Instant products now make up nearly one-fifth of total coffee consumption.
