Telephone calls used to be a scream
but today, a normal voice
will do. The difference is improved
transmission—better ways to get your
voice from here to there. Simply
talk in a normal tone of voice into
the receiver and your words will go a
long way.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

- 1 You can talk over matters at once — promptness often prevents loss of a customer.
- 2 You can build closer relations with customers.
- 3 You can use tact in delicate situations.
- 4 And because men talk more freely than they write, you can frequently trace the real reason for the complaint — and prevent similar complaints in the future.
