SAVES A BOWL

When you're making a mix-in-one-bowl main dish, stir it up right in the greased casserole—saves an extra bowl in the after-dinner suds.

Service for Architects, Engineers and Builders: that's where to call if you're building a house and you want to arrange for special telephone outlets. This service is also available to builders of large apartment, office and industrial complexes.

Behind on orders? Let the handy Yellow Pages introduce the suppliers you need. It's fast, it's convenient. Wise buyers say there's nothing like the Yellow Pages of your telephone book for getting in touch with almost everyone around who sells things, fixes things, does things. Try them once.... you'll use them often.

Here's how you may be sure of
 getting your party more often
 when you dial:

1. Look up your number in the latest directory.
2. Listen for the steady hummm of the dial tone.
3. Keep your eye on the dial.
4. Wait a minute before you decide your party isn't home.
