A store may not immediately come to the mind of a prospect when special services are desired; such as are offered by a Beauty Salon, Radio or Watch Repairing Department. Many establishments, realizing this, advertise under several classifications in the Classified Telephone Directory. Thus they direct more business their way.

Two friendly telephone  
habits ... quick to answer  
when your telephone  
rings; SLOW to hang up  
when you call someone  
who does not immediately  
respond. When calling  
others, remember that the  
called person may be al-  
most there ... so wait a  
few seconds longer.

... USE LONG DISTANCE ...
