Behind on orders? Let the "Yellow Pages" introduce the suppliers you need. It's fast. It's convenient. Wise buyers say there's nothing like the "Yellow Pages" of your telephone book for getting in touch with almost everyone around who sells things, fixes things, does things. Try them once ... you'll use them often.

SCRATCHED WOODWORK
One way to repair deeply scratched woodwork is by filling the scratches with a mixture of fine sawdust and spar varnish. After this filling has hardened completely, smooth it down with fine sandpaper.

If your business is not completely represented in these Yellow Pages you may be missing your share of the business in your line.
