Have you tried the hand-
diest shopping center in
town? It's right at your el-
bow—the Yellow Pages of
your telephone book.
Quick "Yellow Pages"
have solved many a
buyer's problems. Let
them help you get in touch
with almost everyone you
need who sells things, does
things, fixes things.

Telephone calls used to be a scream
but today, a normal voice
will do. The difference is improved
transmission — better ways to get your
voice from here to there. Simply
talk in a normal tone of voice into
the receiver and your words will go a
long way.
