HATE DUST?

It's a dreadful nuisance, isn't it? And the harder you work the more dust you seem to have. Isn't that a fact? Put an end to this vicious circle. See how the Rainbow traps dust in water and how you can pour it out of your home forever. There are no filters or bags to buy, either.

Have the right number
when you call. It's natural
to trust to memory — but
when memory plays tricks
with a telephone number,
you're delayed. When you
are not sure of a number
won't you look it up in the
telephone directory?

Here's how you may be sure of
getting your party more often
when you dial:

1. Look up your number in the latest directory.
2. Listen for the steady hummm of the dial tone.
3. Keep your eye on the dial.
4. Wait a minute before you decide your party isn't home.

Yellow Page Advertising
 See "Advertising—Directory"

Your voice is **YOU**—when
 you're on the phone!

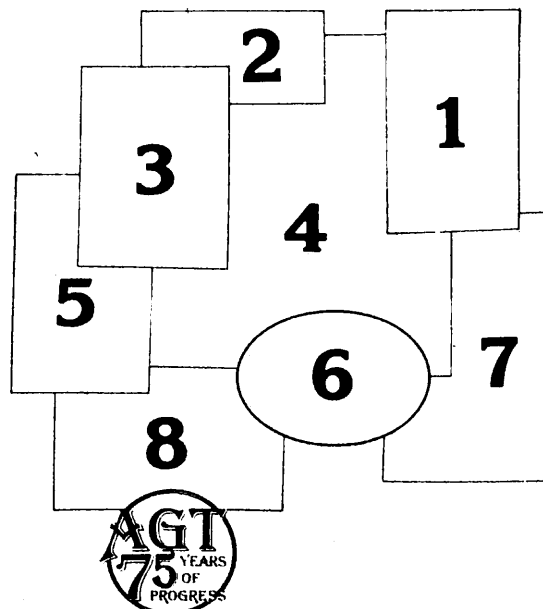

When in doubt about a telephone
 number, please look in the
 telephone directory first.

That helps you, helps others, and
 helps telephone people to do a
 better job for you.

Front Cover Story:

1. Fiber optics are revolutionizing the way telephone calls and information are transmitted between centres.
2. AGT's extensive buried cable system provides rural areas with vital communications.
3. AGT phoneCentres — the modern service for residential customers.
4. Electronic circuit boards are the hearts of computerized telephone systems.
5. Anik B is one of three Canadian telecommunications satellites.
6. AGT operators use automated switchboards to assist long distance callers.
7. The modern pole cat replaces the climbing spurs, belt and muscle power of a bygone era.
8. Large buildings are filled with tonnes of communications equipment needed to switch millions of calls through the telephone network.
9. Microwave towers symbolize modern long distance communications.

Back Cover Story:

1. In 1923, the Bow River floods the telephone office at Gleichen but can't stop service.
2. In 1929, operators continue long distance service when Drumheller becomes the fifth automatic local exchange in Alberta.
3. In 1908, a Lacombe photographer captures two of AGT's free spirits, Cliff McNaughton and Fred Daniel.
4. In the 1920's the Didsbury staff promotes the product.
5. In 1932, the first Trans-Canada Telephone Line approached Calgary.
6. Inside the Fort McLeod exchange, 1913.
7. Winter scene near Lethbridge, 1913.
8. Season's greetings on a clinker-brick cottage exchange, symbol of AGT in the 1920's and 30's.
