SCRATCHED WOODWORK

One way to repair deeply scratched woodwork is by filling the scratches with a mixture of fine sawdust and spar varnish. After this filling has hardened completely, smooth it down with fine sandpaper.

Behind on orders? Let
handy YELLOW PAGES
introduce the suppliers
you need. It's fast convenient.
Wise buyers say
there's nothing like the
YELLOW PAGES of your
telephone book for getting
in touch with almost every-
one around who sells
things, fixes things, does
things. Try the YELLOW
PAGES once . . . you'll use
them often.

People who are ready to buy turn first to the Yellow Pages. If you have something to sell or a service to offer, here's the place to tell about it. The "Yellow Pages" places your name, address and telephone number before the buyer at the very moment he wants your product or service. Call the business office for information.
