When you call someone, give them time to reach the telephone. You know how you feel when you just miss a call, so wait a few seconds longer when you ring. You never know, they may just be reaching for the phone when you hang up.

Two friendly telephone habits... quick to answer when your telephone rings; slow to hang up when you call someone who does not immediately respond. When calling others, remember that the called person may be almost there... so wait a few seconds longer.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE
You can talk over matters at once promptly often prevents loss of a customer.
You can build closer relations with customers.
You can use tact in delicate situations. And because men talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.
