 HANDLING COMPLAINTS
 BY LONG DISTANCE**

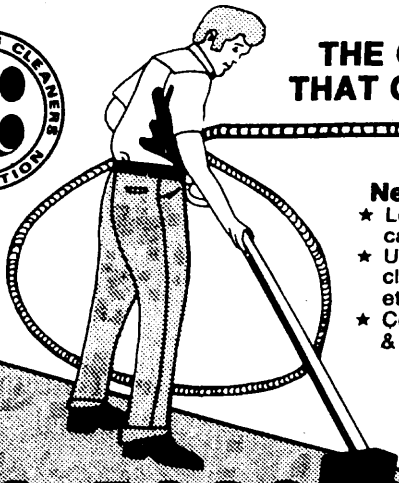

You can talk over matters at once
 promptness often prevents loss of a
 customer.

You can build closer relations with
 customers.

You can use tact in delicate situa-

 quently trace the real reason for the
 complaint and prevent similar com-
 plaints in the future.

**4 GOOD REASONS FOR
 HANDLING COMPLAINTS
 BY LONG DISTANCE**
 You can talk over matters at once
 promptness often prevents loss of a
 customer.
 You can build closer relations with
 customers.
 You can use tact in delicate situa-
 tions. And because men talk more
 freely than they write, you can fre-
 quently trace the real reason for the
 complaint and prevent similar com-
 plaints in the future.
