SURVIVAL KIT

Make your own winter survival kit from things around the house. A flashlight, shovel, gloves, blanket, scraper and brush, matches and a candle should be included. It is also a good idea to pack flares, booster cables, traction pads and a first-aid kit.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once promptness often prevents loss of a customer.
You can build closer relations with customers.
You can use tact in delicate situations. And because men talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.
