Telephone calls used to be a scream but today, a normal voice will do. The difference is improved transmission-better ways to get your voice from here to there. Simply talk in a normal tone of voice into the receiver and your words will go a long way.

If you have products to sell, the Yellow Pages can increase your market. You are invited to call our nearest Business Office for further details on Yellow Page advertising.

IT'S IN YOUR BEST INTEREST TO CHECK FIRST

If you plan to build or have to excavate, you can avoid accidental damage to cables by checking first.

Before digging starts, Dial "0" Zero & ask for Zenith 07128? (No Toll Charge)

For your own protection and your neighbours', it pays to make sure you are on "safe ground." A severed cable may put hundreds of telephones out of service.

LONG DISTANCE CAN
IMPROVE YOUR
COLLECTIONS AT LOW COST

You talk with the person in authority.

You can handle situations too delicate to handle in writing.

You get the real reasons for non-payment.

You can settle complaints ... make adjustments.

KEEP IT HOT

To keep spaghetti hot for a short
time, you may return it to the
empty cooking pan, add butter,
then cover to keep it warm.
